Session1: July 23-27 12-3:00

This year, De Anza Gymnasium has undergone exceptional improvements in making it the best facility in the area. We have the luxury of utilizing four full volleyball courts...The summer sessions target the beginning, intermediate and advanced players which is unusual for a clinic...The beginners are introduced to volleyball skills that can take them further into the sport...The intermediate players are introduced to new techniques to better perform the volleyball skills that they have already been exposed to...The advanced players cover execution and court responsibility to better prepare them for the next level...

Session2: July 30-Aug 3 12-3:00

All prepaid campers will receive De Anza Volleyball Tee-Shirts. These are in men's sizes, so please consider that and circle the one that you wish to wear on the opposite page. **Water** will be available for the campers, however, you must **bring** your own container and only water is allowed in the gymnasium. If your team is planning on coming as a group of six or more, contact **Dawnis** for your team discount...
