SIX MONTH CONTRACTS

Six Month Contracts for the July - December 2005 term are now sold out. Sign ups for the January - June 2006 term will begin in October - November 2005.

SIGN-UP REMINDER

ALL MONTHLY SIGN-UPS are now done BY MAIL ONLY. There is NO MORE WALK-IN REGISTRATION or any distinctions between district residents and non-residents.

For instructions related to mail-in registration procedures visit our web site or contact our office.

REMINDER "PACK IT IN PACK IT OUT"

In an effort to keep your registration fees low, we require all vendors to pack out all trash, boxes, unsold items, etc. PLEASE DO NOT USE ANY GARBAGE CANS OR DEBRIS BOXES ON CAMPUS FOR ANYTHING. Garbage cans are intended for customer food related disposal only. Clean-up charges rise dramatically for extra clean-up efforts.

SO PLEASE PACK OUT ALL YOUR UNSOLD ITEMS, GARBAGE AND TRASH.

HOW FAR CAN I SET UP MY MERCHANDISE?????

Some of you are exceeding the size of your selling area. If you extend forward beyond the parking stripes you are beyond the selling area and will be asked to pull your displays, merchandise, etc. back to the appropriate areas. Please do not set up in the dirt areas (end caps/planting areas).

SUPPORT OUR CLUBS

Volunteers from the De Anza Cambodian Heritage, Speech and Debate, and Vietnamese Student Association (VSA) clubs are staffing this month's drink stands, and the Friends club is staffing the hamburger stand. Satisfy your hunger and quench your thirst while donating to a good cause.
