POST YOUR ENTRY TICKET AND SELLER'S PERMIT IN PLAIN VIEW AT YOUR SELLING AREA

This is important, as our staff must verify that you are in the correct selling area. This can easily be accomplished by using tape, string, wire, etc. to attach your selling ticket and seller's permit in clear view. We now must also require that you display your seller's permit pursuant to state code Section 6067 (Issuance and Display of Permit). "...A permit is not assignable and is valid only for the person whose name it is issued and for the transaction of business at the place designated therein. It shall at all times be conspicuously displayed at the place for which issued."

Where do I park My Vehicle????

Normally you need to park your vehicle in your assigned selling area. If you unload and move your vehicle, it must be OUT OF the Flea Market Selling Area in an approved parking lot with a paid parking permit (\$5.00 from the parking attendant, not the machine). Do Not take up another space in the Flea Market unless you have paid for that selling area.

SIGN-UP REMINDER

ALL MONTHLY SIGN-UPS are now done BY MAIL ONLY. There is NO MORE WALK-IN REGISTRATION or any distinctions between district residents and non-residents.

For instructions related to mail-in registration procedures visit our web site or contact our office.

REMINDER "PACK IT IN PACK IT OUT"

In an effort to keep your registration fees low, we require all vendors to pack out all their trash, garbage, boxes, unsold items, etc. **Garbage, trash and recycle services are not provided for vendors.** PLEASE DO NOT USE ANY GARBAGE CANS OR DEBRIS BOXES ON CAMPUS FOR ANYTHING. Garbage cans are intended for customer food related disposal only. Leave your vendor space and the rest of the campus as clean as you found it. Clean-up charges rise dramatically for extra clean-up efforts. SO PLEASE PACK OUT ALL YOUR TRASH, GARBAGE, BOXES and UNSOLD ITEMS. **Failure to comply may result in fines and/or lockout.**

HOW FAR CAN I SET UP MY MERCHANDISE?????

Some of you are exceeding the size of your selling area. If you extend forward beyond the parking stripes you are beyond the selling area and will be asked to pull your displays, merchandise, etc. back to the appropriate areas. Please do not set up in the dirt areas (end caps/planting areas).
