

If You're Pursuing a Career in Facility Management, Shouldn't You Be Learning About Buildings?

AFTER ALL, YOU'LL BE MANAGING A BUILDING OR A FACILITY, RIGHT?

*De Anza is the only Community College Facility Management program in California that **REQUIRES** you to learn about energy efficient, sustainable and code compliant buildings as part of your AS Degree. This is important in the age of Zero Net Energy Building regulations and cost efficiency!*

*The "other guys" have FM REQUIREMENTS focusing **SOLELY** on Business, Accounting and Management classes! They don't require you to learn **ANYTHING** about buildings as part of their Cert/Degree. (see below)*

*De Anza is the **ONLY** CA Community College that addresses **ALL 11** of IFMA's Core Competencies! We are also the only FM Program in CA in the IFMA FM Academic Registry (<https://fmacademicregistry.org/>)*

FOLLOW THE LEADER! EXPERIENCE THE DE ANZA COLLEGE FM ADVANTAGE- ALLOW US TO DIFFERENTIATE YOU AS A FACILITY MANAGER!

We FULLY prepare you for a WELL PAID CAREER MANAGING the **BUSINESS AND TECHNICAL aspects of BUILDINGS**
